SEVENTH-DAY ADVENTIST
Ruffus B. McDannel, Pastor
Sabbath School Lesson for Feb. 20 to 26, 1972
Subject: The Sermon In the Service of Worship 9.
Memory Verse - "Then Phillip opened his mouth . . . and preached unto him Jesus." And he answered and said, I believe that Jesus Christ in the Son of God.' Acts 8:35,37.
The Wonders of Redemption are dwelt upon altogether too lightly. We need these matters presented more fully and continuously in our papers." Counsels to Writers and Editors, pg. 80, For many vital topics for sermons (see the book Evangelism, pg. 187, for some essential subjects). Along with all means. "God's appointed means of saving is through the foolishness of preaching." -Testimonies, Vol. 5 p. 300. Deportment in Worship, there is a twofold aspect to this Subject. The preachers are to preach vital material, delivered with dignity and in the power of the Spirit. The worshiper is to remember he is in God's house listening to the words of eternal life. Whoever is preaching, we must cultivate a warm and receptive heart, avoiding a critical or a wondering mind, and our actions should be decorous and worshipful.
Lesson Outline: 1. All True Preaching Centers in Christ - Mark 16:15, 16. 2. What God Expected of a Preacher, 2 Cor. 5: 11, Gal. 1:10. 3. Decorum of Worship Leaders 1 Tim. 4:11. 4. The Lay Preacher and the Worship Service, Luke 10:1, 2, 9, 5. The Purpose of the Sermon. Acts 2:37. 6. Delivering the Message. 1 Cor. 2:1, 2, 4-4:11 True Preaching Centers In Christ. Mark 16:15,16. "And He said unto them, "Go ye into all the world and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned."

New Construction Approved At Camp Rochichi

The YMCA metropolitan board of directors has approved the immediate construction of new buildings and other facilities at Camp Rochichi, the Y camp that serves Virginia. The amount of the approved expenditure, which is being withheld pending the receipt of firm bids from several, the total construction costs of all existing camp buildings.
The action has been requested by the Camp Rochichi committee. Tremendous increases in registration in the last several years combined with plans for year-round family camping programs were the major reasons given for the expansion of the camp facilities.
The new building will be multi-functional. The largest, which has four rooms with two baths, will accommodate 24 girls and will be built near the existing Bruffy Lodge. A duplex bunk house, with self-enclosed bath, will be built near the existing cabin 4 to accommodate 20 additional boys.
The exterior walls of both buildings will consist of contrasting rough and finished cedar for an attractive, yet rustic appearance. The interior walls will be constructed of birch panneling. The buildings will be insulated, have storm doors and windows and electric heat. The building plans were drawn by R. D. Nash and Son, general contractors, of Lynchburg, and construction will be by Harold B. Buchanan, building contractor of Clarksville.
An existing twelve-room house known as the "Manor" will renovated for use a s a staff residence and administration building. During the off season it will be available for weeke nd retreats by YMCA, church, scout and civic groups. It will be carpeted, have a lounge with a fireplace, sleeping accommodations for 16 people, and a fully-equipped kitchen. The administrative offices will be equipped with a 2-way radio system for camp-YMCA communications. The fireplace and plumbing part of the renovation work will be done by Harold Buchanan. The contract for insulation and strom doors and windows has been awarded to Diromn Insulating Co. of Lynchburg. The remaining part of the work will be under the supervision of R. D. Nash & Son. Plans for renovation were drawn by Cress-Rhodes & Associates of Lynchburg.
The Lynchburg engineering firm of Wiley & Wilson is presently working on plans for a ski jump for the camp. It will be used only by those campers who have passed the camp's "first class skier" test. The U. S. Army Corps of Engineers, who manage the reservoir on which the camp is located, have been asked to approve the ski jump.

SHILOAH BAPTIST NEWS

A first prize Blue Ribbon award was presented to Hilda Elliott from the Appomatox County 4-H Club for Public Speaking.

A doctor who operates on himself has a fool for a patient.

It's an old saying, but it's never made more sense. There are some jobs in life that you just don't tackle by yourself. The preparation of your income tax should be one of them.
And that's where H & R Block. The Income Tax People, come in. H & R Block is America's largest tax service with more than 6,000 conveniently located offices to serve you. Your H & R Block representative is specially trained and can provide information on legitimate income tax benefits and opportunities that the average man on the street doesn't even know exists.
For instance, do you know all about deductions for child care or casualty losses? Or, that if your income increased over the last few years, you may save tax dollars by "income averaging?" And even if you did, would you know how to go about "income averaging" to begin with? Probably not. And there's no reason why you should. After all, you're an amateur when it comes to doing income tax.
H & R Block's charges start at $5 and last year averaged under $12.50 for over 7 million returns we prepared. And, if we make any error in the preparation of your tax return that costs you any interest or penalty on additional taxes due, while we do not assume the liability for the additional taxes, we *will pay that interest and penalty.*
Our one time fee entitles you to year 'round tax service and assistance.
Come to the company that more than 7 million Americans placed their confidence in last year. Come to the people who will fill out your next income tax return efficiently, quickly, confidentially. Come to H & R Block.

DON'T LET AN AMATEUR DO H&R BLOCK'S JOB.

FOR AN ADVENTURE IN MUSIC . . .
WURLITZER

Lessons Learned at the Piano Can Help Your Child Succeed at Life

Few things so enrich life as understanding and appreciating music . . . and the piano is the "maid of all work," the unequalled instrument for learning the principles of rhythm, harmony and melody. At the same time, it encourages the development of a well-rounded personality; concentration; alertness; poise.
A former U.S. Commissioner of Education explains the benefits of musical training in this way: "Education in music has the effect of training the memory, quickening perception, stimulating the imagination and encouraging concentration . . . the best music students are nearly always found at the head of their classes in other studies."
A complete education includes music. Start your child's musical training on a Wurlitzer — more children learn on a Wurlitzer piano than that of any other name.
